The Problem

- Bookings lost in Messenger & texts
- Double-bookings and no-shows
- Payments chased manually
- No records, no reports

The Solution

- ✓ Self-service 24/7 online booking
- ✓ Slots lock instantly — no conflicts
- ✓ Paid upfront via GCash / BDO / Maya
- ✓ Automatic records, analytics & receipts

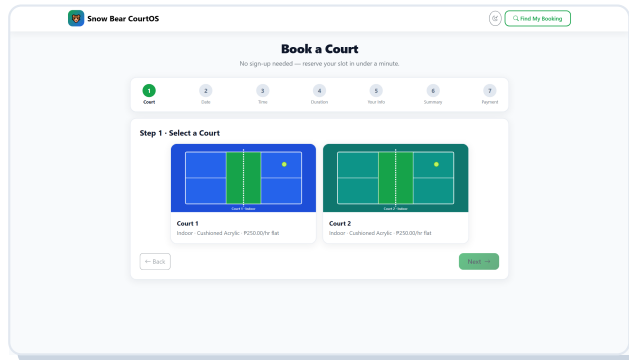

The Live Product

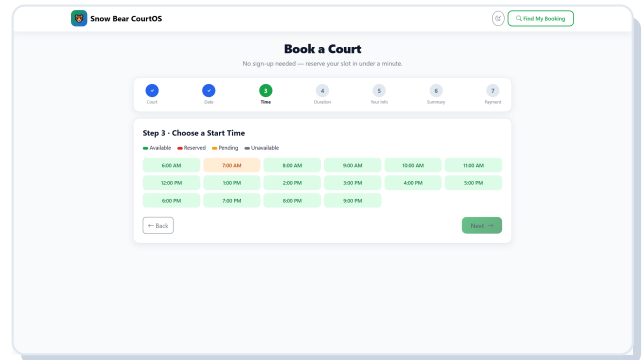

The branded customer landing page — hero, live courts, highlights, open play & tournaments

Customer Experience

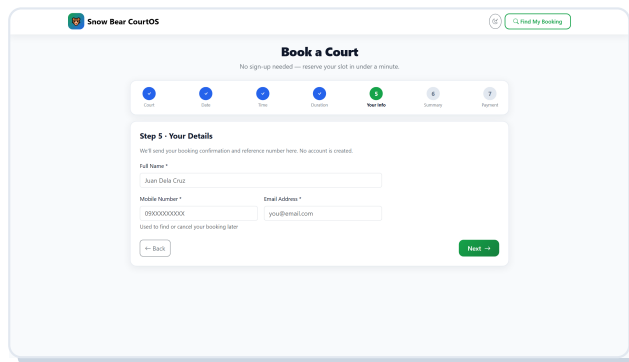

Customers book from any phone in under a minute — no account, no app install.

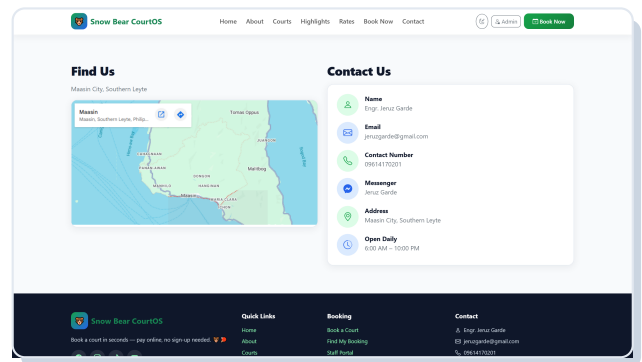

1 · Pick a court

2 · Color-coded live time slots

3 · Name, mobile & email — that's it

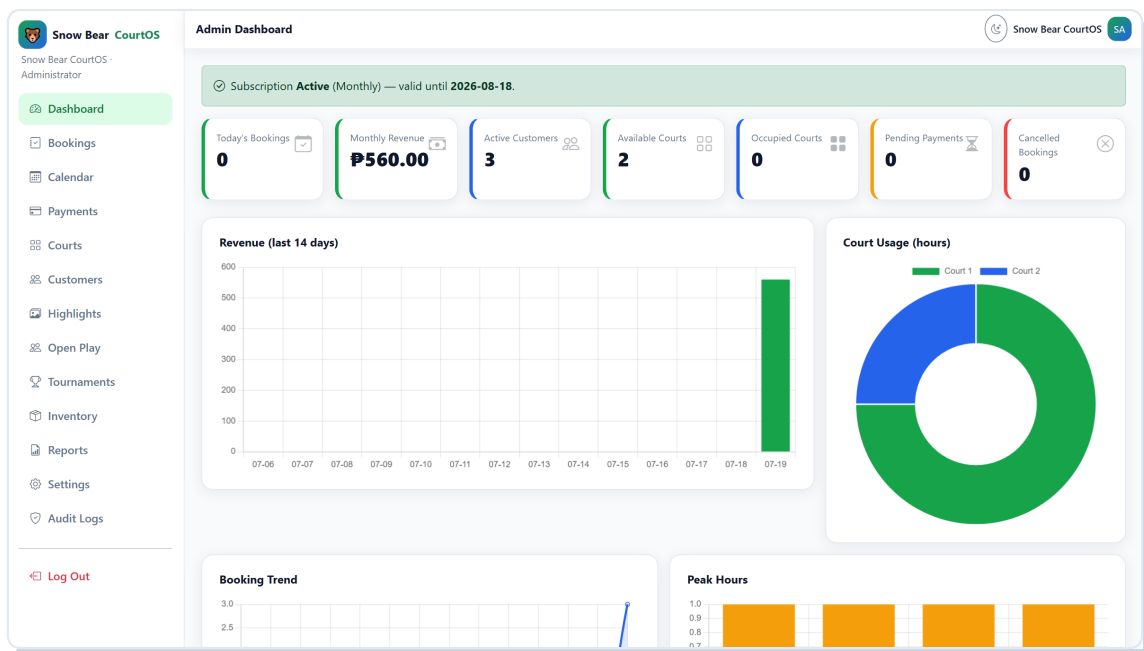

4 · Pay via GCash / BDO Pay / Maya

Also on the customer site

- "Find My Booking" — customers track status & download receipts
- Open Play sessions with live schedules and capacity
- Tournaments with online registration and paid entry
- Highlights: posts, announcements and upcoming events; dark mode

Owner Admin Dashboard

Run the whole business from one dashboard — live analytics, verification and reports.

Dashboard: today's bookings, revenue, court usage & peak-hour analytics
